

EMPLOYER WEBINAR
29 APRIL 2022

IN CONVERSATION WITH

AELP: Association of Employment and Learning Providers

Utilising Your Apprenticeship Levy

Today's Session

Thank you for joining us today.

We will begin this session shortly.

This In Conversation With.. webinar is being recorded. The recording and associated information will be shared with delegates over the next few days.

Please keep your microphone muted during the conversation but do use the chat box to introduce yourself, network and ask any questions.

The Youth Employment UK team are on hand to support you with any issues.

Director of Policy

LJ Rawlings
CEO

Today's In Conversation..

Simon's Big Questions

- What is working for employers and providers?
- What innovation has AELP seen?
- What can employers do to capitalise on their levy spend?
- Where are the gaps and how can the levy be used to futureproof the skills businesses need?
- What does the government need to address to make apprenticeships work better for the UK?
