

# TELL US WHAT YOU THINK

The Youth Voice Census is a space for young people aged 11-30 to share their experiences.

Share your thoughts on **studying**, **working** and **living** in the UK.

Over **5,000** Young People Told us What They Thought in 2024.

Take Part in 2025 and **Share Your Thoughts.**

## Be Part of Something Big!

Join thousands of young people making a difference. Your voice matters, and we'll make sure it's heard by:

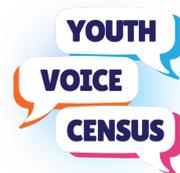

- Local MPs
- Policy makers
- Employers

What you say can help change the systems that impact your life. Let's make things better - together!
